WORLD ASSEMBLY OF YOUTH CORNER
ITHACA, NEW YORK.

Mrs. Clubwala, State Commissioner (Guides) Madras and Leader specialist at the reception given to World Scout and Guide Leaders by the Boy Scouts, and Girl Scouts Associations of America.

Annual Subscription Rupee 1.

Message from the Chief Commissioner.

The New year always rises new hopes and aspiration in us. We have tried to do many things in 1952. We have achieved something. We may not have been able to succeed in many things. But We start again with great effort and determination to do more vigorous work.

The merger has been a great success. We have forgotten our different associations and we are working as one whole. All the best leaders of the different associations have joined together to work for greater benefit of the movement. The Government is very sympathetic to our cause, Both Sri C. Subramaniam, the Finance Minister and Dr. M. V. Krishna Rao, the Education Minister have seen our work and have given encouraging and cheering words of advice. The Public and the Parents are generous in their help. While what the Government gives is just enough to make the headquarters going, we are not able to do anything at District level. But for the general support of the public and parents, the District level work is not possible.

The recent visit of Dame Leslie Whateley, Director of the World Bureau of the World Association of Girl Guides and Girl Scouts and Col. Wilson, Director of the International Scout Bureau has given a further impetus. Our great President, Dr. Rajendra Prasad and our beloved Prime Minister, Mr. Jawaharlal Nehru have in their recent speeches on the value of Scouting and Guiding to our youths asserted that there is a great future for this movement and therefore many thousands of boys and girls should join it.

It is therefore our responsibility and pleasant duty to enrol several boys and girls in the movement and see that they are benefitted by their coming in. My appeal therefore to everyone in the movement from the Cub and the Bulbul upwards is to so work in the coming year that we advance tenfold, and hundredfold and be always worthy of this great youth movement.

We have decided to hold a State Jamboree in December 1953.

Let us work for it even from now.

I wish you all happiness in 1953.

W. Venkataswami Aidi

State Chief Commissioner.

Girl Guides Movement.

Satisfactory talks on affiliation with World Association.

Dame Leslie Whately, Director of the World Bureau of Girl Guides, who inspected a joint Rally of Guides and Scouts at the Presidency College Grounds, Triplicane, expressed her appreciation of the work of the Guides in Madras.

She said the World Association Conference of Guides had paid a great tribute to the work of the Guides in India.

On arrival she was received by Mr. K Venkataswami Naidu State Chief Commissioner, Mrs. M.N. Clubwala, Mr. V. S. Hejmadi State Commissioners for Scouts and Guides and Mr. V. S. Ratnasabhpathy, State Secretary to Bharat Scouts and Guides. Over 2,000 Guides and Scouts took part in the Rally and Miss H. C. Samuel was in charge of the joint Rally.

After breaking of the colours, Dame Leslie Whately inspected the Rally.

Mrs. M. N. Clubwala, welcoming Dame Leslie Whately, said they were proud and happy that the merger of the groups had been very successful. They had no difficulty whatever in their work since the merger.

The Director of the World Bureau of Girl Guides presented Warrants of authority to Miss H.C. Samuel to serve as Headquarters Commissioner for Training and Mrs. K. Dunbar to serve as Headquarters Commissioner for Guides.

Pageant.

This was followed by a pageant depicting guide law in Indian Legends and history by the Guides of the St. Christopher Training College (West District) birth of scouting by the Guides of the Civil Orphan Asylum signposts guiding by Guides of the Central District; and the merger by the Scouts.

She came to India at the invitation of the National Commissioner to discuss certain points relating to the affiliation of the National Association with the World Association. Their talks were very satisfactory, and she hoped that soon the National Association would be admitted to the World Association as a full member.

There were over 3 million Guides in the World and she proposed to take their greetings to the Guides all over the World when she visited other countries.

Mr. Venkataswami Nayudu proposing a vote of thanks said they had been longing to join the World Association of Guides and glad that very soon they would be affiliated to the World Association as a full member.

Called to Higher Service

He was a great pioneer of the movement. In him we have lost a sincere friend of the Scout and Guide organisation.
