THE INTERNATIONAL CONFERENCE
OF SOCIAL WORK.

HON. MR. JIVARAJ MEHTA WITH THE VOLUNTEERS

Annual Subscription Rupee 1.

OURSELVES.

1953, Jamboree Year

The year 1953 has been hailed by the leaders of the various countries of the world as a year of hope. May it be. Let us make it so. It is also a year of Jamborees. The United States of America is holding the National Jamboree in July 1953. The World Rover Moot, the 5th of its kind is to be held in Switzerland in July and August 1953. The Pan-Pacific Jamboree in Australia is just over on the 9th of January 1953 and we too in Madras will hold the State Jamboree in December 1953. This should naturally mean a great advance in Guiding and Scouting throughout the World. We hope the Scouts will prepare even from now to attend the Jamboree. More details regarding our Jamboree will appear in the next issue of our Bulletin.

Divisional Camps

The Southern Division under the leadership of Mr. K. S. Seshadry, Assistant State Commissioner organised a Divisional Camp at the Lower Anicut under the patronage of His Holiness Sri-La-Sri Arulnandi Tambiran Swamikal of Sri Kasi Mutt, Tirupanandal and it might be said that the Division has begun very well indeed their year's activities. Our State Chief Commissioner, Hon'ble Sri K. Venkataswami Naidu found time to declare this camp duly open, and thus inspire the workers and the Scouts to greater activity. This is to be followed by the Inter Districts Scout Camp in the Western Division at Coimbatore under the leadership of Sri V. C. Subbiah Gounder, Assistant State Commissioner, from 23rd to 27th January 1953 and again will be declared open by the State Chief Commissioner. This augurs well for the future. It is our hope that this will be followed by other Divisions.

International Conference of Social Work

We have just been through a most successful Conference of Social Work which attracted many leading social workers both men and women and experts from more than 35 Countries. Our Scouts and Guides did valuable Service as Volunteers. Here is the letter from Mr. George Haynes, the President of the Conference which speaks for itself.

"22nd December 1952."

Dear Mr. Ratnasabhapathy,

One of the happiest features of our Conference was the splendid work of the volunteers, Scouts and Guides. They were all splendid and I carry away with me happy impressions of their smiling faces.

With my grateful thanks,

Yours Sincerely,
(Sd.) George Haynes.

It is hoped that this service will give another impetus to our movement both in the matter of recognition of the public, as to the value, and their greater co-operation in our work in the future.

A Timely Help.

At our last meeting of the Local Association held on 15th November a pathetic appeal was read out from Miss Wyckoff, of Jothi Nilayam, Rural Centre, Mettathur, South Arcot District, asking for clothes or money to buy the same, for the women in the District, where the famine has been severe, and they have no money to buy saris or cloth at all and many cannot move out of their house—or in better conditions share one ragged sari in turns.

I am glad to say there has been a very good response to this appeal. Rs. 35 in cash has been subscribed from S.T.C. Rs. 20 from Palamcottah and Megnanapuram, 14 new saris and a number of old ones collected by Mrs. Thangaswami, President, Ladies Committee, and I have had a very grateful letter from Miss Wyckoff—with the money she is buying home-spun saris to help the weavers.

PAKENHAM—WALSH.

MR. HEJMADI, AT THE CUBMASTERS CAMP

Tiruparankunram, Mathurai.

“One of the features of the Scout and Guide Movement which is most essential in the conditions of India is the encouragement of the outdoor habits of life and closeness to nature induced by the Movement as well as the honour paid to manual work and physical and moral fitness’

C. P. RAMASWAMI IYER.

Guides Uniform.

"The Sales Emporium of the Madras State Handloom Weavers' Co-operative Society, Limited, Wallajah Road, Madras-2, have been appointed as the official suppliers and distributors of the new Guide Uniform. These sarees can be obtained in two qualities (60s. and 40s.) and in two widths (45" and 42") The prices at present are as follows:

- (a) First quality Rs. 1-7-0 and Rs. 1-8-0 per yard.
 (b) Second quality Rs. 1-2-0 and annas 0-14-0 per yard.

Sarees will normally be made up in six yards length but can be had in other lengths if ordered. There will be samples of each quality in stock for inspection, but orders must be placed for the number of sarees required and there will be a delay of about two weeks from the time of order to the date of supply. The sarees can be supplied through any of the Branches of the Madras State Handloom Weavers' Co-operative Society, Limited, but the original order must be placed in Madras with a request to supply through the Branch as required. Orders will be sent by V.P.P. or may be purchased for cash payment. The same material can be supplied by the yard if required, and for Bulbul skirts.

It is hoped that as many guides as possible will endeavour to equip themselves with the new material from the official suppliers. This will ensure that the uniforms are all exactly the same colour and will give a much smarter effect at rallies, meetings, parades, etc. We shall also be helping the Handloom Industry."

K. A. DUNBAR,
 Head Quarters Commissioner (Guides.)
