We express our gratitude to all the State Governments, Ministry of Local Self Governments for valuable Co-operation and their supplying List of Local Bodies.

Preface

India is making all round progress & developing fast in the industrial Sector. Sometimes the industrialists feel difficulty in selling their products due to the lack of proper information. Keeping in view the difficulty, we have dared to compile the Directory of Local Bodies in India. The list of local bodies was collected from all the State Governments, Ministry of Local Self Government. The information is, therefore, authentic. The industrialists can send illustrated catalogues & price list of their products to the Executive Officers. The local bodies have been categorised Statewise & Districtwise.
